MOTION FOR TRANSCRIPT

Plaintiff-Appellant Elizabeth Choquette motioned the Employment Security Board of Review (the "Board") to correct certain findings in Board Case No. 865-BR-14, Referee Case No. 1033-AA-14 per Practice Book Sec. 22-4. Notice was provided to this Court with a copy of the Motion to Correct. Dkt. 102.

On November 21, 2014, the Board requested Appellant's counsel Motion this Court for a transcript of the proceedings. A copy of this letter is attached as Exhibit A. Practice Book 22-4 requires that the Motion to Correct Finding contain "such portions of the evidence as he or she deems relevant and material to the corrections asked for, certified by the stenographer who took it." (emphasis added). As the transcript has not been provided at this time, and the certification requirement is necessary to the Motion to Correct, the Plaintiff-Appellant requests that the Court order the Board prepare the certified transcript.

Re: *Elizabeth Choquette v. Middlesex Center for Advanced Orthopedic Surgery*
Board Case No. 865-BR-14

Dear Atty. Collins:

I am writing with regards to the "Motion to Correct Findings" that you submitted on November 20, 2014. A Motion to Correct Findings is not a motion to reopen the Board of Review's decision. You would need to follow the following steps:

1. Request an Extension to file a Motion to Correct Findings from the Board of Review (we can use the motion to correct that you filed as such).
2. File a Motion for Transcript with the Superior Court. In your case, the court is New Britain Superior Court, 20 Franklin Square, New Britain, CT 06051. Please send a copy of the motion to the Board of Review.
3. Once the court has ruled on the Motion for Transcript, we will have the recording transcribed and then certify a copy of the transcript with the court.
4. Once you receive the notice of the certification of the transcript, you file a Motion to Correct Findings. This must be done within two weeks of the certification of the transcript. If you would like a copy of the transcript, you should contact the Board of Review and request a copy. There is a charge of \$.25 per page.

The Motion to Correct Findings should outline the findings that you are disputing with a justification as to the reasons why the Board of Review should correct such finding. You do not reargue your case in this type of motion.

Please respond to this letter within ten (10) days of the mailing date. A copy of the Motion for Transcript will be accepted as a response. If we do not have a copy of the Motion for Transcript or you have not responded within ten (10) days, we will issue a decision according to the Connecticut Practice Book Chapter 22.

If you need further clarification, please feel free to contact me at 860-566-3045.

Sincerely,
